

Å multiplisere med tiere, hundrere og tusenere

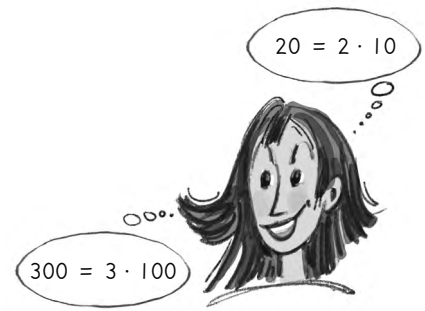

$6 \cdot 10$ er 6 grupper med 10

10 10 10 10 10 10

$$6 \cdot 10 = \underline{\underline{60}}$$

$$\begin{aligned} 14 \cdot 200 &= 14 \cdot 2 \cdot 100 \\ &= 28 \cdot 100 \\ &= \underline{\underline{2800}} \end{aligned}$$

$$27 \cdot 200 = 54 \text{ grupper med } 100 = \underline{\underline{5400}}$$

I Regn ut.

$8 \cdot 10 = \underline{\hspace{2cm}}$

$10 \cdot 10 = \underline{\hspace{2cm}}$
